

Business Services Division:

Presentations & Workshops

CBB's Business Services Division are proud to offer full scale presentation and workshop services to our customers. CBB has created a presentation & workshop program that can be tailored to fit your business needs. Workshops can be presented in full day or half day modules. Our presentations are topic specific and provides immediate helpful resources to those that attend. Some of the content areas are:

- Employee Growth and Development
- Building a trusting relationship with stakeholders
- Collaboration 101 (clients & collaterals)
- Ethics and Human Services
- Youth Advocacy
- Juvenile Justice- what you need to know
- Evidence Based Practice Models (MST & FFT)
- Parenting and Youth outcomes
- Community based services...what you don't know

*****Please contact us for an updated list of presentation & workshop topics. If you have a specific topic that you would like CBB to present, CBB will develop the training materials and present it to your staff*****
